FROM: Richard Mendoza, Commissioner *RM*
Department of Public Works *for*

DATE: May 20, 2011

SUBJECT: Task Order to: FC-4906B- Annual Contract for Architectural & Engineering Services

Contractor: Atlanta Services Group, JV

Please issue Task order/Notice to Proceed to Contract No. FC-4906B for the following scope:
Technical services for the new development of CAD Standards and preparation of details report.

The development of a standard details report will provide a CAD standard that details drawings, rules, and regulations and specification updates for use by City workers and consultants when performing design projects for the City.

Pursuant to Section 2-1292 of the City of Atlanta Procurement Code and Article 33- Changes and Extra Work of the General Conditions for the Contract, the original contract is modified to incorporate additional work order.

This change has been reviewed and recommended for approval by DPW Engineers. Given the not-to-exceed amount of \$49,988.00 and a comparison of the Engineer's Cost Estimate and the Contractor's Cost Estimate, the price is determined fair and reasonable.
